EDITED BY ROBERT EDGREN

Longboat Has Everyone Guessing as to His Real Ability as a Runner Right Now-Is Betting Proposiation to Blame?

THAT'S the matter with Long-

Is he really so far from championship class, or is he "pulling" his races to get big odds in the betting when he runs against Dorando? On Saturday night Longboat lost a ten-mile race to Percy Smallwood by 170 yards. Smallwood is small potatoes beside Dorando and Shrubb, who! are on the list for races with the big

Before Saturday night's race Long-"Wait until I run this ten miles, then you can see what shape I'm in to run Dorando."

the time of the ten-mile race was ridiculgusly slow. The winner averaged six and a half minutes to the mile. When Hayes and Dorando ran at Madison Square Garden they averaged better than six minutes to the mile over the first ten miles of the race-and they had

sixteen miles more to cover.

As a matter of fact Longboat's performance was so poor compared with other running feats of his that it looks very fishy. Must be something in that betting proposition.

fast time over the distances. Sher-ring, who won the Athens Marathinks the Indian the greatest ner he ever saw. Not very long ago Sherring predicted that Longboat would beat the world. "He could run past me the best day I ever saw," Sherring told me. But that was probably just modesty on Sherring's part. The little Canadian was a wonderful man over the Marathon distance.

HILE Longboat was losing a tenmile race in slow time Shrubb was winning a five-mile at an gerage speed below five minutes to the ficiate in the twenty-five-round scrap Shrubb is a marvellous runner. In spite of the long time he has com- the Chicago Italian middleweight. pgied, both as an amateur and as a pro-fessional, he seems to keep his speed of Los Angels, Cal., on Dec. 15. Papke and stamina. He is still in record-in responsible for "Jeff" going back into the bleeking form, and no doubt can set a few new marks whenever he feels like its But professional athletes never show the full extent of their ability unless it is absolutely necessary in order to win. Siruub has never been forced in a professional race. He wins everything easily.

target shooting meets as regularly as the Intercollegiate Association holds athletic meets.

This is a good proposition. Rifle shooting and pistol shooting are good sport and useful. Shooting makes steady nerves.

And it's a good thing to know how to the a good. There is almost no chance for hunting in the last shoots a shooting in the last shooting and pistol shooting makes steady nerves.

Al Kublak, the house of the Chicago lightweight with Freddie Weight, who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight who was unable to get on a fight with Freddie Weight with Freddie We

handicap of two minutes, came in first, thirty seconds ahead of Malone, who had passed twenty-eight of the twenty-nine lar by The Evening World readers. The pen in the race.

The foot after another. It was the constant hunting that gave off his wonderful endurance. Of course, this has nothing to do with he matter of shooting at tangets, which oesn't amount to very much in the any of hard word. But a man who foots at targets very much always ants to try his luck at something better. He's bound to take up nonting if sere is any possible chance for it.
